

Remembering Our Mother's Love

As we sit here we are thinking and reminiscing over Life... Life with our mother was a Beautiful sight, she saw things and knew things far beyond her Life. We always knew the power and vision she had for Life. Our mother has put up a strong beautiful fight... even after her life is over. She will live forever in our hearts and souls. She has given us all loving memories of her strong and beautiful Life... We love you Momma.

From all of your children
